Dear PPYC Member,

The next Membership meeting will be held on Tuesday Oct. 4, 2016 at 7:00 PM.

Please note! *The crane will be coming on Saturday October 15th --Haul Day and all trailers must be removed from the lot by October 1!*

Float Committee News

Winter wet storage will begin Sunday, October 16th. There is plenty of room for winter wet storage.

Contact Float Chairman Jim Lawrence Jr. @ 617 283 7185 for your slip assignment.

*You must have a bubbler and all boats must be winterized. **No block heaters!***

The marina will be winterized Saturday, October 29th, with a rain date of Sunday, October 30th—please plan accordingly.

*All Insurance Policies are required to be on file at the club for all boats. Have your insurance agent fax your insurance cover page to the club at (617) 207-9826, or drop a copy off at the office. As stated in Float Rule 39: All boat owners must have a mandatory insurance liability requirement of \$300,000.00 per boat and proof must be submitted to the Float Committee before a boat is allowed on the floats. This is required by our club insurance policy. **No insurance, no float space!***

Dinghy storage: If you have a raft on the docks, you MUST see the float committee to complete a form that is required. Please see Angelo LaMonica, Dave Catalano, or Bill Mc Brine for forms and placement. **All unclaimed rafts will be removed!**

A REMINDER TO ALL BOAT OWNERS; PLEASE SHUT OFF BREAKER BEFORE PLUGGING OR UNPLUGGING SHORE POWER CORDS INTO PEDESTAL OR BOAT. THIS WILL HELP TO

PREVENT ARCING AT THE RECEPTACLE, WHICH CAN CAUSE DAMAGE TO RECEPTACLE AND BOAT CORD.

Hope everyone has enjoyed this beautiful summer, and the party float. A lot of good parties on the docks, and bringing people together; that's what it's all about!

Float Chairman

Jim Lawrence Jr

Winter yard bills have been mailed.

Upcoming Events

*Please support the 2016 N.E. Pancreatic Cancer Research Walk, **Team Beckwith**, in honor of our friend Pat. The walk is Oct. 1st, see Shannon, Stacy or Cindy to contribute or mail your check to The Lustgarten Foundation, 1111 Stewart Avenue, Bethpage, NY 11714*

Commodore's Report

Fellow Members,

Here we go again, summer has slipped by us, the sun is looking larger, redder (some great sunset photos are popping up on Face Book), and daylight is quickly diminishing as is the temperature. As we look forward to wrapping up the boating season, let's enjoy what's left and reflect on it having been a very good year.

A few weeks back, on a beautiful September day PPYC Fleet Captain Angelo LaMonica and wife Jeanne led a sizable contingent of 17 boats and 50+ members to invade our friends over at Town River Yacht Club in Quincy. Their Commodore Bob Garnett and Fleet Captain Austin McKnight treated us to an excellent afternoon BBQ with open locker. For dinner we had an incredible variety of southern smoked meats. They were fantastic. We all had a wonderful time. Their assistance during/for a medical emergency Sunday morning is also sincerely appreciated. The toughest part of this weekend was of the weathers failure to cooperate for the ride home. Ahh, the joys of boating!

The annual Lobster / Rib Roast dinner this past weekend was a huge success. Galley chairman Mike Cunningham pulled off another successful cook off that left us all savoring. Starting with the chowder, muscles, lobbies and then beef, we were all happy and full. Many thanks go to Mike, Charley O'Leary, Liam Keyes, and Dave Catalano amongst others who all started very early Saturday to assist. Entertainment's Rebecca Schultes and her crew did a great job as well, purchasing necessary supplies, decorations, setting up the hall, and then serving. Special thanks in particular go out to Marie Ruzzo and Nancy Weinstein who were there much of the time. The DJ, Jimmy LaGrassa also provided music that satisfied all. To those that signed up and never attended, you missed a good time.

Sean Watson is working on a yard plan for the upcoming haul. He is planning on meeting with all members storing in the yard (or potentially in the yard) prior to then. Some of the smaller boats will be hauled with the new crane (we are insured) prior to October 15th to avoid having to pay an additional fee for overtime or a second full day as happened last year. Also be reminded per both the Float and Yard rules your Liability insurance must be current and at a minimum of \$300,000.

There are always little things that can be done around the club. Whatever you can do is appreciated. As always, if I have missed any Kudos, forgive me. I look forward to seeing you all around the club, enjoy what's left of the season and have a good Columbus Day.
