Dear PPYC Member,

The next Membership meeting will be held on Tuesday, April 4, 2017 at 7:00PM.

This will be an important meeting to attend, since the Board of Directors will be presenting information about the potential purchase of Captain Jack's Marina. Don't allow speculation and rumor to make your decisions for you—come hear the pros and cons of this issue!

OBLIGATIONS

Marina Bills were due March 1st. The 30 day grace period ends March 31—all bills must be paid by then!

Launch Day will be May 6th 2017

Float Committee

Marina bills have been mailed. Please review your bills if they are incorrect - contact the float chairman ASAP. If you are planning to sublet your marina slip for the upcoming season you will need to contact the Float chairman in writing by March 1st 2017.

Please remember to check on your boats in winter wet storage. Bubblers are required by float rules. Please make sure they are ready to go. Please contact Float Chairman Jim Lawrence Jr. for any questions at 617-283-7185. Thank You!!

The Float Committee is looking for some input on the dinghy rack design. Your ideas would be appreciated. Prior to putting your dinghy on the docks, you must see Angelo La Monica, and fill out an application, and the dinghy fee must be paid, prior to launch.

All winter wet boats must be off the marina by April 22nd. Please contact Jim Lawrence Jr for any questions.

I would like to thank Bill McBrine, Dana Ringdahl, and Angelo Troisi, for all of their help with the monitoring of our docks over the winter. Thank You!! Jim Lawrence

We have recently acquired 2 high chairs and a booster seat for the lounge, for our Junior-members-to-be. This will be helpful to ensure that boating is always seen as a family activity.

Upcoming Events

Opening Night will be June 17

Members Appreciation Party will be July 22

Sunshine Committee.

Our deepest condolences to Cindy Roberts, upon the loss of her father.

*As always we are looking for volunteers in all skill sets for our committees.
If you need any Chairperson Contact information please let us know.*

Commodore's Message

Dear Fellow Members,

Since April is now here, summer must be coming soon, even though our New England Spring can be tricky! Launch Day will be here before we know it, and that will take a bit of work to pull off. I'd like to take this month's message to thank all the committee chairs and their committee members for all that they do to keep the many jobs around the club going. These tasks can be complicated, sometimes aggravating or just time-consuming, but they are so important to a volunteer organization like ours. If you are not currently involved with a committee, and you'd like to help out, your participation is always wanted! Please feel free to ask me or any Flag officer, or committee chair how you can help around the club.
