Commodore's Message

May is finally here, and Launch Day is next week. Thank you to everyone who has worked so hard to get ready for the start of our summer season, including Jim Lawrence, Jr. and his /Float Committee, and Sean Watson and his Yard Committee. It takes a lot of hours, a lot of phone calls, and a lot of planning to get the season rolling—thank you everyone!

Also, a big thanks to Cindy Roberts for the great job she did, trimming the shrubs and cleaning up the garden areas in front of the club, as well as planting the buckets on our deck—they look great! It is always nice to come to the club and see that it looks so well-tended.

Thanks also to Al Marley for his clean-up work around the dumpster area; at this time of year, things can get a bit messy. Thanks for pitching in, Al!

All volunteer efforts are appreciated-if I have forgotten to mention anyone, I apologize. Let's get this season off to a great start.

Kevin Kneeland
